The Clementine Churchill Hospital provides services to adults and children from birth to age 16. The hospital has 141 beds with all rooms offering the privacy and comfort of en-suite facilities, satellite TV and telephone. The hospital has five theatres, an endoscopy suite, a level I II Intensive Care unit and offers a self-pay, walk-in 24/7 Emergency Care Centre.

These facilities, combined with the latest in technology and on-site support services, enable our consultants to undertake a wide range of procedures from routine investigations to complex surgery. This specialist expertise is supported by caring and professional medical staff, with dedicated nursing teams and resident medical officers on duty 24 hours a day, providing care within a friendly and comfortable environment.
